## **Notice Regarding Unauthorized Access to the Company's Server**

Sodick Co., Ltd. (the "Company") hereby announces that it has detected unauthorized access by a third party to the Company's server. Following an investigation, evidence of intrusion into the Company's server was confirmed. Details are provided below.

### **1. Overview of the Incident**

On May 15, 2026, suspicious activity was detected in certain systems of the Company. Subsequent investigations confirmed the occurrence of this incident.

### **2. Current Status**

The Company is currently working in cooperation with an external cybersecurity firm to investigate the intrusion route and assess the scope of the impact.

At this time, no material disruption to the Company's operations has been identified, and no impact on the Company Group's overseas operations has been confirmed. However, investigations are ongoing to determine whether any information stored on the Company's server was accessed and whether there has been any external impact.

### **3. Measures Taken by the Company**

The Company has implemented initial response measures, including disconnecting the affected server from the network and disabling accounts confirmed to have been misused. In addition, the Company is proceeding with strengthening its cybersecurity measures on a company-wide basis.

### **4. Future Actions**

The impact of this incident on the Company's business performance is currently under review. If any matters requiring disclosure are identified, the Company will promptly make an announcement.

The Company sincerely apologizes for the significant concern and inconvenience caused to all stakeholders.
